Subject: [EXTERNAL] Re: CBI material

Hi Rebecca- Please put it to the attention of Gino Scarano with the address info below. I am out of the office this week. No need for multiple copies as the CBIC can do that. Also we ask that you only claim CBI for information you that you truly need protected. For example, being specific about what information in the submission is CBI would be helpful. New TSCA has CBI substantiation requirements that may be triggered.

Please find the following address you can send the material via courier below to get it in front us sooner or alternatively via regular mail (which will delay things).
